WHY CHOOSE HEARTRIDGE FLOORS?

For over 50 years, we as an industry leaders have always been passionate and proud of the products we offer.

We search the globe for the latest in flooring innovation and select only the most beautiful colour variations that nature can provide us.

Heartridge is the perfect flooring option to make your space a place to come home to. Available in Engineered Timber, Hybrid Plank, Luxury Vinyl Plank and Vinyl Plank flooring.

AT HEARTRIDGE, WE BELIEVE
BEAUTIFUL FLOORS
ARE THE HEART **TO ANY HOME**

THE STUNNING LOOK OF REAL TIMBER

Our Summerhill Hybrid range offers equal charm as any traditional timber flooring whilst providing a host of benefits that make them a practical and convenient choice. Installing our Hybrid Planks is a breeze, saving you time and effort as our patented join system are designed for easy application for both installers and homeowners.

To further enhance acoustic performance, our planks come with a pre-installed Dunlop Underlay, ensuring optimal sound insulation for a tranquil environment.

Upgrade your home with floors that combine style, ease of maintenance and exceptional performance. So, choose Heartridge for a flooring solution that is perfect for any space.

BACKED WITH DUNLOP ACOUSTIC UNDERLAY

Our Hybrid Planks are backed with a Dunlop Acoustic Underlay, a high performance underlay designed to reduce noise in the home and add warmth underfoot.

A DURABLE SURFACE TO STAND THE TEST OF TIME

Dunlop Wearshield provides the extra protection your planks need for your home. The innovative low gloss polyurethane UV Cured protective layer with ceramic beads is spill, dent and scratch resistant – so you can easily care for your floors and enjoy them for many years to come.

SUSTAINABLE FLOORING THAT LEAVES A LIGHTER FOOTPRINT

We are committed to helping the environment and making our homes a healthier place. Awarded the Best Practises PVC Certification by Bureau Veritas, each Heartridge Hybrid Plank is low in VOC's and phthalate free, helping improve air quality in the home.

STABLE CONSTRUCTION

Each Summerhill Hybrid Plank is enhanced with a multi-layered construction for increased stability, providing outstanding durability, impact resistance and comfort underfoot, offering you peace of mind that your floors will endure and remain a timeless asset to your home.

CONSTRUCTION

Plank Size: 6 x 180 x 1220mm

A durable surface to stand the test of time

Ceramic Bead coating finish
- Provides extra protection against scratches, stains and UV damage

0.55mm wear layer -

STUNNING LOOK OF REAL TIMBER

Using the latest in multi-layered technology, Hybrid Planks offer the same natural beauty as solid timber without the hassle. They're easier to install, require less maintenance and are intricately embossed for that extra level of realism. With outstanding water resistance and exceptional acoustic performance, they're ideal for any room in the house and perfect for the demands of modern living.

SCRATCHES, STAINS AND UV DAMAGE RESISTANT

With low gloss polyurethane UV Cured protective layer with ceramic beads, our Summerhill Hybrid Planks provide extra protection against scratches, stains and UV damage.

WHY HYBRID PLANKS?

TRUE TO NATURE

The realistic timber embossing follows the natural pattern of the grain. Planks are available in the same size as traditional timber boards to create a stunning floor that looks and feels just like real timber.

EASY TO CLEAN AND MAINTAIN

Real timber boards require a lot of maintenance to retain their aesthetic, but with Hybrid Planks, it's effortless. Thanks to the unique, rigid construction and composition, you don't need to oil, sand or refinish the boards.

DESIGNED FOR DURABILITY

Each Hybrid Plank is enhanced with a multi-layered construction for increased stability, providing outstanding durability, impact resistance and comfort underfoot.

TESTED AND APPROVED

Our Hybrid planks undergo rigorous testing in accordance with Australian standards. Our hybrids demonstrate an absence of silica, phthalates and remarkably low levels of VOCs.

PERFECT FOR HIGH TRAFFIC AREAS

The dense SPC core helps resist impact and indentation – even from high heel shoes. With the added protection of Dunlop Wearshield coating, these Hybrid Plank floors are designed for superior performance in high traffic areas.

ACHIEVE THE PERFECT FINISH

Our matching accessories are perfect to pair with your Heartride Hybrid floor. Available in all Hybrid Plank colours for the the Scotia, Stair-Nosing, C-Channel & T-Mould products.

SUMMERHILL RANGE

Inspired by the beauty of the nature, our Summerhill Range is sure to make an impression in any home.

TRUE TO NATURE

Available in 12 sophisticated range of colours, the realistic timber embossing follows the natural pattern of the grain. Planks are available in the same size as traditional timber boards to create a stunning floor that looks and feels just like real timber.

EASY TO CLEAN

WITH BONA FLOOR CARE PRODUCTS

We recommend the use of Bona Floor Care products to keep your floors looking brand new and your home beautiful.

AN IMMACULATE HOME IN 2 SIMPLE STEPS

- Remove loose dirt, grit and dust with a Bona Dusting Pad. If using a vacuum cleaner, ensure the cleaning head has a soft brush to prevent the occurrence of scratches on the floor surface.
- Use a Bona Spray Mop with Bona Stone, Tile & Laminate Cleaner for a spotless finish.
